

## **Resource Guide for Voters**

### ***Information to Facilitate Participation in the 2010 Election***

#### **Voter Information Center:**

The Michigan Secretary of State Voter Information Center provides voters with election dates, registration status and how to register if you are not already registered, a view of your sample ballot, links to the candidates and their websites, and more. Check it out at [www.michigan.gov/sos](http://www.michigan.gov/sos).

#### **If you are a parent, grandparent, family member, caregiver, teacher, and/or other child advocate:**

The resources below provide information and data about important children's issues, including materials to use with candidates for public office to ensure that kids are a priority in the 2010 election.
