

FamilySpeak: Building Family Literacy Through Adult Education

Wednesday, February 15, 2017

Speaker's Library, State Capitol

The Michigan Association of Community and Adult Education (MACAE) works to provide a cohesive framework for community education through collaboration and guidance at the local, state and federal level. MACAE's vision is to engage in partnerships, provide member support and advocate for lifelong learning, leading to employment and self-sufficient families. For more information about MACAE, email macaeoffice@gmail.com, visit macae.org, or call 517-492-1367.

A small number of MACAE members were able to bring students to Lansing for this FamilySpeak, and many others are available to share more about their programs and their students.
