Who We Are

• Michigan's Children is a statewide, independent voice for children and their families. We work with lawmakers, business leaders, and communities to make Michigan a place where all children have the opportunity to thrive.

• We strive to be a trusted, nonpartisan voice working to reduce disparities in child outcomes from cradle to career through public policy change.
Policy In Context

• Minimal movement in child and family outcomes, which is impacted by many factors including:
  – Rising child and family poverty
  – Growing abuse and neglect
  – Minimal movement in child health outcomes
  – Declining educational outcomes
Why the Disconnect?

• Lots of competition for fewer dollars
  – Recent revenue bright spots resulting in challenge and opportunity

• Ideology about the role of government
  – Polarization of the parties

• Policymakers don’t hear about issues of concern

Why Get Involved/Why Advocacy

• You Can
  – You already have the skills you need
  – It doesn’t take that many of us

• You Should
  – There are things we want changed
  – Democracy=Responsibility
  – Decision-makers REALLY need our help
How a Bill Becomes Law

1. As Introduced
2. As Amended in Committee
3. As Amended on Second Reading
4. As Enacted
5. As Funded by Joint Budget Committee
6. As Implemented by the State Agency
7. As Reported by the Media
8. As Understood by the Public
9. What was actually needed
How do we make change?

• Get the attention of the people who can make the change you want
• Talk to Decision-Makers
  – A concern that you have about your life
  – A concern that you have about their work
• Talk to Other People
  – About an issue
  – About policymaker’s views or positions
  – About how to act

Why Do Frames Matter?

When the facts don’t fit the frame, it is the FACTS that are rejected, not the frame.

Always Keep the Door Open

• If they don’t do what you want...
  – What else do they need to know?
  – Express disappointment, but look for other possibilities

• If all else fails...
  – It’s ok to be angry, channel it, organize
  – Get a better person elected/appointed/hired

Let’s Try It Out!

• Get together in small groups

• What’s your issue? What do you want one of your elected officials to act on?

• Who’s your legislator?

• What’s their frame? What issues have they shown interest in?

• Once you know your issue, your legislator, and their frame...

• Who influences your legislator?

• Educate candidates and policymakers about the needs of families with young children
• If your legislators sit on key committees – appropriations or education policy – get to know what they are about and find ways to tie the programs important to your family and your community to the things that they care about. Anticipate that you’ll have more than one communication with him/her over the next few months.
