ASK is a non-profit (501c3) organization dedicated to supporting families and youth with a goal of improving the system of care for children's mental health. Through collaboration with families and community partners, we hope to guide this system toward becoming more family-driven, youth-guided, and culturally competent.

*Public policy
in the best interest
of children.*

Michigan's Children is the only statewide, multi-issue advocacy organization focused solely on public policy in the best interest of children from cradle to career and their

families. We have been creating opportunities for young people and caregivers to share their stories, concerns and suggestions directly with policymakers since 1996. As a non-profit 501(c)(3) organization, our forums are presented as a non-partisan activity.
