**The Novi Adult Education program**, offers a flexible schedule that will allow students to maximize their options to complete their high school education. We offer the opportunity for our adult students to graduate with a high school diploma. We celebrate that accomplishment by hosting a graduation ceremony attended by our school administration, school board and teachers. Novi Adult Education helps the older student obtain the credential that will open the doors to move forward and obtain a life- sustaining career one

class at a time. <https://www.novi.k12.mi.us/communityed/adult/>

*Public policy  
in the best interest  
of children.*

**Michigan's Children** is the only statewide, multi-issue advocacy organization focused solely on public policy in the best interest of

children from cradle to career and their families. We have been creating opportunities for young people and caregivers to share their stories, concerns and suggestions directly with policymakers since 1996. As a non-profit 501(c)(3) organization, our forums are presented as a non-partisan activity.
