42nd MI-AIMH Biennial Virtual Conference
Nurturing Connections
MAY 9 - 11, 2022

Michigan Association for Infant Mental Health
Learning and growing together.

The MI-AIMH Biennial Conference is the premiere professional development and networking opportunity for infant and early childhood mental health professionals from around the nation. This high-caliber conference is solely dedicated to infant and early childhood mental health best practices, attracting world renowned clinicians, policy makers, and research faculty who present cutting edge information about attachment, early relationship development, and reflective supervision for work with infants, young children and their families.
The conference challenges our hearts and minds, deepens understanding of our work, and reenergizes our dedication to promoting and supporting secure, nurturing relationships early in life – when they matter most.
