

HELPING CHILDREN DREAM AGAIN

TCC CANDIDATE FORUM

Hosted by

Michigan's
Children

JOIN US!

Join the Children's Center and Michigan's Children as we host a candidate forum featuring candidates for the state Legislature and Congress from our region! This event will have parents and youth asking questions directly to the candidates. This will be an opportunity to hear from candidates running for three newly drawn districts representing parts of our service area - the 8th House District, the 8th Senate District, and the 13th Congressional District. This is not a debate, but rather a platform to understand each candidate's views on critical issues that affect our communities. This event will be capped at the first 40 families/youth.
